Application Deadline is November 10, 2023

The Civil Enforcement Division will consider applications from attorneys with prosecutorial experience who are seeking to expand their range of skills.

The Office of the New York State Attorney General's (OAG) [Medicaid Fraud Control Unit \(MFCU\)](#) seeks experienced litigators to serve as Special Assistant Attorneys General in its Civil Enforcement Division, which is primarily based in the Unit's New York City office. The Medicaid program provides health coverage to millions of New Yorkers, including low-income persons, children, elderly adults and people with developmental disabilities. MFCU is the nation's premier law enforcement agency charged with ensuring the financial integrity of New York State's \$100 billion Medicaid program by investigating healthcare providers, such as pharmaceutical companies, doctors, hospitals and nursing homes, who engage in Medicaid billing schemes that cause harm to Medicaid recipients and the loss of millions of dollars to the State of New York. MFCU also works to protect elderly and disabled New Yorkers by investigating reports of abuse and neglect in nursing homes and other residential health care facilities in the state.

Possessing both civil and criminal enforcement powers, MFCU uses various state laws to bring civil actions and criminal proceedings, including asset forfeiture actions.
