Transactional Associate

Location

Rochester or Albany, NY

Position Summary

At Nixon Peabody, our priority is to attract, retain, and promote talented individuals from a wide range of racial, ethnic, social, economic, religious, and personal backgrounds, genders and sexual orientations. Therefore, we encourage talented individuals with diverse backgrounds and experiences to apply.

Our Project Finance and Public Finance group is seeking to hire an associate to join our Rochester or Albany, NY offices. The ideal candidate will have approximately zero to four years of transactional experience, including experience in secured lending, corporate finance, real estate or public/project finance. Experience with tax law and tax-exempt entities, will also be considered.

Qualified candidates will have strong academic credentials, superb judgment and communication skills, and a commitment to providing excellent client services.

In accordance with applicable Federal and State laws, the anticipated annual salary range for this position is as follows.

- Rochester, NY: \$140,000 to \$180,000

In addition to a standard benefits package, this role may be eligible for additional contingent compensation based on an array of factors, including but not limited to: work performance, geographic location, work experience, education, and qualifications. Because such contingent compensation is not yet calculable or may be zero (\$0) in some circumstances, the above-listed salary range is Nixon Peabody's good faith estimate of the annual salary it reasonably expects to pay for the position at the time of this posting.

A career at Nixon Peabody is the opportunity to do work that matters. It's a chance to use your knowledge to shape what's ahead, to innovate, to learn at a firm that taps into the power of collaboration and collective thinking.

Our Project Finance and Public Finance practice group has a national reputation for innovative work in financing a wide range of municipal, healthcare, educational, and infrastructure projects – from mass transit and hospitals to baseball stadiums, student loans, public power and housing.
